FoodXervices Inc partners ONE (SINGAPORE) to organise charity warehouse sale

Donated food items to support individuals and families in need

Singapore – March 22, 2010 – FoodXervices Inc Pte Ltd, a leading food distributor in Singapore, is collaborating with ONE (SINGAPORE) to organise the “Every ONE Can” warehouse sale on March 28 – with the proceeds going to New Hope Community Services (NHCS), a charity providing shelter for displaced individual and families.

This is the second time the two organisations are coming together to touch the community and help the needy. Last October 17, they organised the first such charity drive which raised more than \$20,000 worth of food items that benefitted needy families supported by Food From The Heart.

“From last year’s experience, we saw how we could work with ONE (SINGAPORE) on such a meaningful project. We have arranged for two such sales this year as part of our effort to be more socially responsible,” said Nichol Ng, Managing Director of FoodXervices Inc. “Our aim is to help charities in the long run by supplying them with quality food at wholesale prices. We also hope to build on this platform to launch a food bank in the longer term.”

“FoodXervices Inc has a big heart and wants to be a good corporate citizen by making a positive contribution to the community. FoodXervices Inc also does a great job of organising the warehouse sale, particularly ensuring that prices are as low as possible,” said Vernetta Lopez, President of ONE (SINGAPORE), a non-profit organisation dedicated to eradicating poverty.

At the “Every ONE Can” warehouse sale on March 28 from 10am to 6pm, customers can look forward to purchasing specially-priced items at FoodXervices Inc’s premises at 39 Keppel Road #01-02/04, Tanjong Pagar Distripark. They can also buy food items

at discounted or warehouse prices for donation to NHCS. Project Kyrie will assist with the distribution of the donated items.

There are currently 43 homeless families staying in NHCS units. About 20 families who were former residents regularly come back for assistance. Project Kyrie is supporting another 20 families. NHCS also provides food for about 50 men in Shelter for Men.

"We chose NHCS as the beneficiary this time round because it is doing critical work in the community, providing shelter to displaced families and individuals," said Michael Switow, Co-founder of ONE (SINGAPORE).

FoodXervices Inc and ONE (SINGAPORE) hope to fill two truckloads of goods from the sale – double the target achieved at the first charity warehouse sale.

Complementing the warehouse sale will be a carnival-like programme that includes balloon sculptures for children, make-your-own superhero photos, music, and appearances by celebrities such as Vernetta Lopez, Jack and Rai, Cynthia Lee, Linda Black, Lavinia Tan, Anita Kapoor, and Glenn Ong.
